

I Know You Rider - Traditional

D C G D
I know you rider, gonna miss me when I'm gone;
I know you rider, gonna miss me when I'm gone;
F C F C F D
Gonna miss your baby, from rollin' in your arms.

Lay down last night, Lord I could not take my rest;
Lay down last night, Lord I could not take my rest;
My mind was wanderin' like the wild geese in the west.

The sun will shine in my back door someday;
The sun will shine in my back door someday;
March winds will blow all my troubles away.

I wish I was a headlight, on a North bound train;
I wish I was a headlight, on a North bound train;
I'd shine my light through the cool Colorado rain.

I know you rider, gonna miss me when I'm gone;
I know you rider, gonna miss me when I'm gone;
Gonna miss your baby, from rollin' in your arms.

I Know You Rider - Traditional

I know you rider gonna miss me when I'm gone
I know you rider gonna miss me when I'm gone
Gonna miss you little momma from a-rolling in your arms

I'm going down thr road where I can get more decent care
I'm going down thr road where I can get more decent care
Going back to my used to be rider cause I don't feel welcome here

I know my baby sure is bound to love me some
I know my baby sure is bound to love me some
Cause he throws his arms around me like a circle around the sun

I laid down last night trying to take a rest
I laid down last night trying to take a rest
But my mind kept rambling like the wild geese in the West

I'm going down to the river set in my rockin' chair
I'm going down to the river set in my rockin' chair
And if the blues don't find me gonna rock away from here

Loving you baby just as easy as rolling off a log
Loving you baby just as easy as rolling off a log
But if I can't be your woman sure ain't gonna be your dog

I will cut your wood baby I will make your fire
I will cut your wood baby I will make your fire
And I will tote your water baby from that Fresno Bar

Sun gonna shine in my back yard some day
Sun gonna shine in my back yard some day
And the wild gonna rise up baby blow my blues away
