

# Blowing in the Wind - Bob Dylan

C            F            C            Am  
How many roads must a man walk down  
C            F            G7  
Before you call him a man  
C            F            C            Am  
How many seas must a white dove sail  
C            F            G7  
Before she sleeps in the sand  
C            F            C            Am  
Yes, 'n' how many times must the cannon balls fly  
C            F            G7  
Before they're forever banned

F            G7            C            Am  
The answer, my friend, is blowin' in the wind  
F            G7            C  
The answer is blowin' in the wind

Yes, 'n' how many years can a mountain exist  
Before it's washed to the sea  
Yes, 'n' how many years can some people exist  
Before they're allowed to be free  
Yes, 'n' how many times can a man turn his head  
And pretend that he just doesn't see

The answer, my friend, is blowin' in the wind  
The answer is blowin' in the wind

Yes, 'n' how many times must a man look up  
Before he can see the sky  
Yes, 'n' how many ears must one man have  
Before he can hear people cry  
Yes, 'n' how many deaths will it take till he knows  
That too many people have died

The answer, my friend, is blowin' in the wind  
The answer is blowin' in the wind
