

Family Reunion

[Chorus]

[G]

[G] [G]

Come one come all to the family reunion,

[D]

[G]

with mother and daddy so sweet.

[G]

[G] [G]

Come one, come all, to the family reunion,

[D]

[G]

it might be the last time we'll meet.

[D]

[G]

Now Mother is sick, she's tired and weary,

[D]

[G]

she can't go another mile

[D]

[G]

She loves her children and she wants them near her,

[D]

[G]

once more, just to see their smiles.

[Chorus]

What good will roses do daddy up yon der,
so why not give them today?

While he's still with us and loves his children,
to daddy it's better that way.

[Chorus]
