

# Im Still In Love With You chords by Steve Earle

**B** **E**  
I didn't know you'd be in this place tonight

**B** **F#**  
Then again I thought you might now I don't know what to do

**B** **E**  
Does it show when my poor heart skips a beat

**B** **F#** **B**  
Each and every time we meet 'cause I'm still in love with you

**B** **E**  
There you are right across the room from me

**B** **F#**  
Just the way I knew you'd be, lookin' lonesome wild and blue

**B** **E**  
I'm alright so far just as long as you don't speak

**B**  
That's what makes my knees go weak

**F#** **B** **Bb** **A**  
'cause I'm still in love with you

**F#** **C#** **F#**  
I've done everything I know to get you off my mind

**C#** **F#**  
But sometimes I can't help but hope that you won't walk away this time

**B** **E** **B**  
Then I wouldn't have to watch you go wouldn't have to miss you so

**F#** **B**  
'Cause I'm still in love with you

solo

**B** **E** **B** **F#** **B** **Bb** **A**  
**F#** **C#** **F#**  
**F#** **C#** **F#**  
**B** **E** **B** **F#** **B** **Bb** **A**  
**F#** **C#** **F#**  
If I knew what I know now I'd never let you leave

**C#** **F#**  
I'd make it up to you somehow and darlin' you'd come back to me

**B** **E** **B**  
Then I wouldn't have to watch you go wouldn't have to miss you so

**F#** **B**  
'Cause I'm still in love with you

**B** **E** **B**  
I wouldn't need to be so blue, wouldn't want you like I do

**F#** **B**  
'Cause I'm still in love with you
