A I can see why G you think D you be A long to me G, D
I A never tried to G make you D think or A let you see one thing for
your D self - But now you're C off with someone else and I'm al D one
You see I C thought that I might keep you for my E own

For a Bm while, maybe longer if I E do

A Don't you think the G time is D right for A us to fight? G, D
All A the things we G thought weren't D proper A could be right in time and
can you see – which way C we should turn, together or al D one?
I can C never see what's right and what is E wrong (I'd take too long to see)

[Chorus & instrument solos]

A Now it's come to G what you D want you've A had your way
And A all the things you G thought be D fore just A faded into gray and you
D see – that I C don't know if it's you or if it's D me
If it's C one of us I'm sure we both will E see (Won't you look at me and tell me)

[Chorus – twice]
