

Dear Someone

Gillian Welch / David Rawlings

(A) I want to go all over the world
And start living **(E)** free
I know that there's somebody who
Is waiting for **(A)** me **(walk up E to A)**

(A) I'll build a boat, steady and true
As soon as it's done **(Dm)**
(D) I'm gonna' **(B7)** sail
A**(A)**long **(Ab)** in **(G)** the **(F#)** dream
Of my **(B7)** dear **(E)** some**(A)**one **(walk up E to A)**

(A) One little star, smiling tonight
Knows where you are **(E)**
Stay, little star, steady and bright
To guide me afar **(A)** **(walk up E to A)**

(A) Brush little wind, over the deep
For now I've begun **(Dm)**
(D) Hurry and **(B7)** take me
Straight **(A)** in**(Ab)**to **(A)**the **(F#)** arms
Of my **(B7)** dear **(E)** some**(F#m7)**one **(Gdim)**
(D) Hurry and **(B7)** take me
Straight **(A)** in**(Ab)**to **(A)**the **(F#)** arms
Of my **(B7)** dear **(E)** some**(A)**one **(walk up E to A)**
