

## Losartan, Losartan (stumpydelko)

(In 3)

(2x) D            A            E7            A

Hold A for a line

D            A            E7            A

Losartan, Losartan, till death do us partin'.

D            A            E7            A

You won't let me die of Borderline High, no

D            A            E7            A

You won't let me die of Borderline High.

(2x) D            A            E7            A

Hold A for a line

D            A            E7            A

Alvesco and Severent, of you I am reverent.

D            A            E7            A

You keep my lungs clear to breathe God's sweet air.

D            A            E7            A

You keep my lungs clear to breathe God's sweet air.

(2x) D            A            E7            A

Hold A for a line

D            A            E7            A

Colonoscopy, colonoscopy, of you I would rather flee.

D            A            E7            A

I'd rather trained hamsters sniffed my butt for cancers.

D            A            E7            A

I'd rather trained hamsters sniffed my butt for cancers.

D            A            E7            A

I'd rather trained hamsters sniffed my butt for cancers.

(BIG FINISH)

D            A            E7            A

I'd rather trained hamsters sniffed my butt for cancers.

(farting noises here...)
