

AppleJack - Dolly Parton

Spoken solo	G	C	G
	He lived by the apple orchard in this little old orchard shack		
	G	C	D
	His real name was Jackson Taylor but I called him Applejack		
	G	C	G
	Now old Applejack was loved by everyone he ever knew		
G	C	G	
	Applejack picked apples but he picked the banjo too.		

[Banjo comes in here]

Chorus all:	G	C	G
	Play a song for me Applejack, Applejack		
	G	D	
	Play a song for me and I'll sing		
	G	C	G
	Play a song for me Applejack, Applejack		
G	D	G	
	Play a song, let your banjo ring.		

Spoken solo	G	C	G
	Now I'd go down to Applejack's almost everyday		
	G	C	D
	We'd sit and we'd drink applejack that old Applejack had made		
	G	C	G
	Then he'd take his banjo down then he'd ask me if I'd sing		
G	D	G	
	And he would play the banjo and I'd play my tambourine.		

[Chorus x 1] Then instrumental solo

Spoken solo	G	C	G
	That's when I was just a kid and now that I am grown		
	G	C	D
	All I have are memories, old Applejack is gone		
	G	C	G
	Oh but he left me his banjo and it always takes me back		
G	D	G	
	And everytime I play it, I still hear Applejack.		

[Chorus x3, the crowd goes wild]
