Outro	[Bb] And that's my song you can sing at the holidays [Gm] When family gathers from near and faraways [F] Half of us are bright and half of us are idiots [Bb] But let's all partake of the gravy and gib-I-its

~~Wear whichever shoe you like if it fits~~
~~Whoever you are, likely either label fits~~
~~Saint or sinner, likely either label fits~~
~~But we all can agree on the gravy and gib-I-its~~
~~But we all can partake of the gravy and gib-I-its~~
