Something Only Christmas Can Stop
Words & Music by Vivi Schoeller-Snyder and Toby Snyder

(G)-(G)-(G)-(D7)

(G) The radio's blowing so many **(G7)** carols in my ear
And the **(C)** cold wind that makes my eyes **(G)**well up a tear
(D) good cooking mixed with pine **(D7)** needle aroma
Puts **(G)** in the mood for an **(D7)**after-meal coma

I'm **(G)** daydreaming about gifts ar-**(G7)**riving in the dark
As we **(C)** walk past the lights on our **(G)** way to the park
(D) Icicles out the **(D7)** statute of Lafayette
He says **(G)** "Ho, Ho, Ho, I'm being **(D7)** mentioned still yet

Well **(G)** I can't think straight when **(A7)** Christmas is near
Because **(D)** thinking is so hard when you've **(G)** thought it all year
(G) Just you look out cause I'm **(A7)**ready to pop
(D) Something only Christmas can **(G)**stop

Our **(G)** living room mirror has **(G7)**stockings for the cats
And my **(C)**stuffed animals wearing my **(G)**baby santa hats
There's **(D)**wreaths on the railings, and **(D7)**lights on the roof
And **(G)**something in the eggnog they **(D7)**say is 80 proof

Every **(G)**night I tell my dolls a-**(G7)**bout another tale
Bout **(C)**the faces of friends from **(G)**cards in the mail.
But It's **(D)**hard to focus on **(D7)**making them a present
Cause I **(G)**heard that on Christmas some **(D7)**people eat pheasant

And **(G)**I can't keep quiet when **(A7)**Christmas is near
Because **(D)**silence is so hard when you've **(G)**shut up all year
(G) Just you look out cause **(A7)**I'm ready to pop
(D) Something only Christmas can **(G)**stop

A **(G)**hot home-made drink and warm **(G7)**cookies I think
Some are **(C)**lemon, Some are spiced, some with **(G)**nuts, some are iced
some with **(D)**mints, and some like fruits, shaped like **(D7)**stars, and little boots,
We make **(G)**so many flavors just to **(D7)**give away as favors

And **(G)**I can't sit still when there's **(A7)**Christmas so near
Because **(D)**waiting is so hard when you've **(G)**waited all year
(G) Just you look out cause I'm **(A7)**ready to pop
(D) Something only Christmas can **(G)**stop
(D) Something only Christmas can **(G)**stop
