

## Gimme A Ride To Heaven, Boy - Terry Allen

[G] Well I was caught up with myself on the [C] highway at [G] night  
[G] Drivin like a bat outta hell when I be[A7]held an amazing [D] sight  
It was a [G] lonely apparition by the [C] roadside standing [G] there  
With his [G] thumb out in the wilderness and a [D] halo in his [G] hair

---

[Chorus]

He said [G]"Gimme a ride to heaven boy / I'll [C] show you para[G]dise  
Yeah [G] gimme a ride to heaven boy / My [D] name is Jesus [G] Christ"

---

[G] So I come screeching to a halt, [C] I said "Hop on [G] in"  
[G] He said "thanks a lot for the lift, I for[A7]give you of your [D] sins  
Yeah [G] I just come from Jerusalem where [C] things are going [G] bad  
Ahhh gimme a ride to heaven boy, I need to [D] talk to my [G] dad"

---

[Chorus]

---

[G] Well I didn't know what to do so I [C] jammed her down in [G] gear  
[G] Kind a kicked my feet beneath the seat I was [A7] trying to hide the [D] beer  
Ahhh but [G] he just grinned and said "My friend, [C] I know you must think it's  
[G] odd  
But you got nothin to fear about drinkin a beer if you [D] share it with the son  
of [G] God"

---

[Chorus]

---

[G]Well I saw good news in his baby blues so I [C]stomped it on the [G]floor  
I said you have to show me how to get there I [A7]ain't been be[D]fore  
"Well it's a [G] hard place to find" he said "But [C] I'll give you a little [G]  
clue  
It ain't somewhere up in the air, it's [D]sittin right here inside with [G]you"

Then right in the middle of that perfect smile from his [C]robes he pulled a  
[G]gun

An stuck it up beside my head and said [A7]"How's this for Kingdom [D]Come?"  
Well I [G] pulled off scared but I heard him say as he [C]left me beneath the  
[G]stars

"The Lord moves in mysterious ways and [D]tonight, my son [pause] He's gonna use  
your [G]car"

---

[Chorus x 2]
