

Unconventional Vehicles - multiple songs - Michael Hearst

HANDCAR

F

Y'all crank that side, we'll crank this side

C

We'll go on a handcar rail ride

F

Fixin' track and talking smack

C

We're a section gang

F

C

F

C

F

All face forward on our pump car

C

Hit a bump we won't fly too far

F

Elbow grease and bended knees

C

We're a section gang

F

JET TRAIN

A

The jet train has been left to rust

D

The concept was a total bust

F#m

And now our trains move like a snail

E

A

E

While other countries have high-speed rail

A

In 1966 we set aside the steam

D

We took a pair of jet engines to build a railway dream

F#m

The Soviets made their own just to prove they could

E

A

E

A cold war competition does nobody good

A

The trains they made a run, went one-hundred fifty plus

D

But were too loud and too expensive and not worth the fuss

F#m

And while our countries quarreled, Japan and France made way

E

A

E

With TGVs and bullet trains still in use today

A

The jet train has been left to rust

D

The concept was a total bust

F#m

And now our trains move like a snail

E

A

While other countries have high-speed rail
