

Every Dance is New - Stumpy

[A] I came here on a Saturday night my [G] pockets full of [D] gold
[A] You wore a smile that said to me there are [G] secrets you ain't [D] told
[Bm] We danced across that bar-room floor, we [G] headed for the door
[A] We danced all night in the cool moonlight, [G] we're dancin' ever-[D]-more
[Bm] No this ain't no sad song my darlin', [G] I'm singing my love for you
[A] We dance each night in the cool moonlight, [G] and every dance is [D] new

[A] Sometimes when we dance my shoes get tight, there's a [G] simple cure for [D] that
[A] Sometimes when we dance my head gets hot, well I [G] just take off my [D] hat
[Bm] Sometimes I need to be reminded to [G] think before I speak
[A].....[G].....[D]
[Bm] No this ain't no sad song my darlin', [G] I'm singing my love for you
[A] We dance each night in the cool moonlight, [G] and every dance is [D] new

[A] For nearly 40 years now darlin' that [G] moon has shone on [D] us
[A] We never thought it was too much, and [G] never that it weren't e-[D]-nough
[Bm] My pockets they still fill with gold, [G] you've still got secrets untold
[A] And we're still crossing that barroom floor, [G] and headin' for the [D] door
[Bm] No this ain't no sad song my darlin', [G] I'm singing my love for you
[A] We dance each night in the cool moonlight, [G] and every dance is [D] new

[A] We dance each night in the cool moonlight, [G] and every dance is [D] new
