

## Purple - Stumpy May 2021

[A]People ask me what I [B7]learned this year  
[E7]I wonder should I tell them what they [A]want to hear  
[A]That skies were purple with [B7]incipient fear  
[E7]Witches rode their brooms both [A]far [A]and [A]near

[D]That's what I think they really want to [A]hear  
[D]That's what I think they really want to [A]hear  
[E7][nc]But I ask myself nearly every day  
[E7][nc]Hasn't it always been this way  
[E7][nc]Ain't this the challenge we alway face  
[E7]How to be [E7]happy [E7]in this [E7]place!

[Instrumental verse A B7 / E7 A / A B7 / E7 A]

[A]Hey I've been depressed [B7]and I've been stressed  
[E7]It probably started when I was [A]three or four  
[A]But I've been loved [B7]and I've been blessed  
[E7]In the balance a [A]whole [A]lot [A]more

[D]That may not be what you really want to [A]hear  
[D]That may not be what you really want to [A]hear  
[E7][nc]But I ask myself nearly every day  
[E7][nc]Hasn't it always been this way  
[E7][nc]Ain't this the challenge we alway face  
[E7]How to be [E7]happy [E7]in this [E7]place!

[A]Well God's a joker [B7]and God's a fuck  
[E7]Puts-a dollar in your wallet [A]and says good luck  
[A]But-I'm glad to have the wallet [B7]and glad to have the dollar  
[E7]I'm glad to have my lungs so [A]I [A]can [A]holler!

[D]This may not be what we really want to [A]hear  
[D]This may not be what we really want to [A]hear  
[E7][nc]But let's ask ourselves every day  
[E7][nc]Hasn't it always been this way  
[E7][nc]Ain't this the challenge we alway face  
[E7]How to be [E7]happy [E7]in this [E7]place!
