

## SIGH OF RELIEF - Toby

E A7

I've got the technique but my moves are wrong

E7

I didn't come here just to groove along

A7

My rhythm's shaky but my mood is strong

E7

So let's stop messing round and have some fun

Bm7 A E

Every single bone in me is sore from my seat

Bm7 A E

Neighbors shouting "Shut the hell up I'm tryin' to sleep"

Bm7 A E

It's been far too long long long since I've had a drink

Dm E (rest)

Time to take a deep deep breath and sigh of relief

A7-----E7-----

A7

I've got the message but my timing's shot

E7

Not for nothing but it's all for not

A7

The dollar \$ign is just an accident

E7

I come up empty when I'm due for rent

Bm7 A E

Every single bone in me is sore from my seat

Bm7 A E

Neighbors shouting "Shut the hell up I'm tryin' to sleep"

Bm7 A E

It's been far too long long long since I've had a drink

Dm E (rest) A7

Time to take a deep deep breath and sigh of relief
