

Cadillac Song - Arianna Grande

Chorus

G Em Am C
Ridin' 'round in my Cadillac, thinkin' 'bout the day that I first saw you
G Em Am
Nothin' compares to what we had and baby that won't change
C G Em Am C G Em Am
I want you, babe. I still want you, baby
C
I still want you

1st Verse

G Em Am C
Summer days with my honey, worrying about nothing
G Em Am C
Back in the day when things were easier than a breeze
G Em Am C
Who knew that kiss was the last one, I never thought we would change
G Em Am C
Baby I'm missing you

Pre-Chorus

G Em
Oh, we should have been forever but we fell apart
Am C
Might have separated but you took my heart
G Em
Always knew I wasn't really over us
Am C
Sometimes I catch myself...

Chorus

2nd Verse

G Em Am C
Memories last forever, so how could I just forget?
G Em Am C
I made everything from nothing cause time was always spent

Pre-Chorus

Chorus

End on a **G**
