

# Fireball XL5 / I Wish I Was A Spaceman - Barry Gray

[Verse 1]

I [G]wish I was a [Em]spaceman, the [Am7]fastest guy a-[D7]-live,[\*Riff]  
I'd [G]fly around the [Em]universe in [Am7]Fireball X-L-[D7]-5,[\*Riff]  
Way [G]out in space to-[Em]-gether, [Am7]conquerors of the [D]sky [D C C C D]

[Chorus1 ]

[N.C.]My heart would be a [G]fireball, a [Em]fireball,  
Every [C]time I gazed in-[D7]-to your starry [G]eyes [D7 \*Riff]

[Verse 2]

We'd [G]take the path to [Em]Jupiter, and [Am7]maybe very [D7]soon,[\*Riff]  
We'd [G]cruise along the [Em]Milky Way, and [Am7]land upon the [D7]Moon,[\*Riff]  
To a [G]wonderland of [Em]stardust, we'd [Am7]zoom our way to [D]Mars [D C C C D]

[Chorus 2]

[N.C.]My heart would be a [G]fireball, a [Em]fireball,  
'Cause [C]you would be my [D7]Venus of the [G]stars [D7 \*Riff]

[Break or just an instrumental on the verse & chorus?]

[Verse 3]

[N.C.]But, [G]though I'm not a [Em]spaceman, [Am7]famous and re-[D7]-nowned,[\*Riff]  
I'm [G]just a guy that's [Em]down to earth, with [Am7]both feet on the [D7]ground  
[\*Riff]  
It's [G]all imagi-[Em]-nation, I'll [Am7]never reach the [D]stars! [D C C C D]

[Chorus 3]

My heart is still a [G]fireball, a [Em]fireball,  
Every [C]time I gaze in-[D7]-to your starry [G]eyes,[D7] [\*Riff]  
[G]Fireball, [Em]fireball,  
Every [C]time I gaze in - [D7]to your starry [G]eyes! [D7] [\*Riff]
