## VERSE:

	Bm	E
If you wanna make a move then you better come in		
	Bm	E
It's just the ability to reason that wears so thin		
Bm	E	
Living and dying and the stories that are true		
Bm	E	
Secret to a good life's knowing when you're through		

## CHORUS:

A	D	E	D
Black coat, white shoes, black hat, Cadillac, yeah, the boy's a time bomb			
A	D	E	D
Black coat, white shoes, black hat, Cadillac, yeah, the boy's a time bomb			

## VERSE:

	Bm	E
Well, he's back in the hole where they got him living like a rat		
Bm	E	
But he's smarter than that, nine lives like a cat		
Bm	E	
?Ten years old? they take him to the youth authority home		
Bm	E	
First thing you learn: you got to make it in this world alone		

[CHORUS] (Black coat, white shoes...)

## VERSE:

Bm	E
Now he's gotten out, he's gotten free, he's gotta go, got a car	
Bm	E
He's 21 years old, he's runnin' numbers from the bar	
Bm	E
His pager's beepin', he's gettin' deep in	
Bm	E
Whatever he can move on in, you know that kid's a creepin' in	

[CHORUS] (Black coat, white shoes...)

Emaj  
...The boy's a time bomb

## VERSE:

Bm	E
Tears come from the razor that's been tattooed below his eye	
Bm	E
His mother cries, she knows that he is strong enough to die	
Bm	E
He's rollin' in the Cadillac, it's midnight, sunroof is down	
Bm	E
Three shots ring out, the hero's dead, the new king is crowned	

[CHORUS] (x2) (Black coat, white shoes...)

Emaj                      A A A  
...Ooh...time bomb
