Always be the one who makes you cry - Eric Hutchinson

[Intro] A (until you start singing)

[Verse 1]
```
A                   C#m
  There's not a reason
G                 F#
  There's not a rhyme
Bm                          E
  I'm packing up a suitcase
        A           E
In my mind
A                   C#m
  Call up your family
G                   F#
  And tell em goodbye
    Bm              E
I'll always be the one
    Bm              E                   A     G     F#
I'll always be the one who makes you cry
          Bm            E
Said I'll always be the one
    Bm              E                   A
I'll always be the one who makes you cry
```

[Verse 2]
```
A                   C#m
   Thank you for being
G                     F#
   And leading us blind
Bm                          E
   There's not another person
        A       E
I could find
A                   C#m
   You were so perfect
G             F#
   I always tried
        Bm                  E
And I'll always be the one
Bm              E                   A     G     F#
Always be the one who makes you cry
```

```
Bm                E
Always be the one
Bm                E                      A
Always be the one who makes you cry
```

[Bridge]
```
              A                 G              F#
You told me "give me what ya got" and so I did
          Bm
It wasn't all that bad
          E
It wasn't all that bad
              A                 G              F#
You told me "give me what ya got" and so I did
              Bm
It wasn't all that bad
              E
It wasn't all that bad
```

[Solo over verse chords]
```
A  C#m  G  F#  Bm  E  A  E
```

[Verse 3]
```
A                   C#m
   Sometimes it's easy
G                     F#
   Sometimes it's not
Bm                E
   I can never thank you
                  A           E
For what you taught
A                   C#m
   There's not a reason
G                     F#
   There's not a rhyme
     Bm                 E
I'll always be the one
     Bm                 E                   A    G     F#
I'll always be the one who makes you cry
     Bm                 E
I'll always be the one
     Bm                 E                   A
I'll always be the one who makes you cry
```
