

Bred In The Bone - Stumpy, 7/2021, Staatsburg/Schultzville

1	[A+C]	[A+G]	[D]	[A]
	Every where I	go they	tell me your	name
	In no two	places	is it the	same
	They describe your face, I	describe your	hair	
	No one can	say just	what is happening here	

Chorus	↓[G]↑[A]			
	It's hard as a rock and it's hard as a stone			
	It's hard as the secret that's bred in the bone			
	I've loved it I've left it I've left it alone			
	To find it again I've strayed from home			
	2 x ↓[G]↑[A]			
	2 x [A+C]	[A+G]	[D]	[A]

2	[A+C]	[A+G]	[D]	[A]
	Is it you is it	me should we	just let it	be?
	Should we sing Mother	Mary	please come	unto me
	I do not feel	frightened I do not feel	a-fraid	
	But I see	now how	my world is	un-made

3	[A+C]	[A+G]	[D]	[A]
	I search for you	high and I	search for you	low
	I search for you	where the	fast river	flows
	I lose my	footing and	I lose my	way
	I lose	every-thing I woke with	to-day	

Chorus
