

# Side of the Road (Lucinda Williams)

## Key of E

[Intro]

E B C#m A B B

[Verse]

E B C#m A B B

You wait in the car on the side of the road

E B C#m A B B B B

Lemme go and stand awhile, I wanna know you're there but I wanna be alone

[Chorus]

F#m A E B

If only for a minute or two

F#m A E B

I wanna see what it feels like to be without you

F#m A E B

I wanna know the touch of my own skin

F#m A E B B B B

Against the sun, against the wind

[Verse]

E B C#m A B B

I walked out in a field, the grass was high, it brushed against my legs

E B C#m A B B

I just stood and looked out at the open space and a farmhouse out a ways

[Chorus]

F#m A E B

And I wondered about the people who lived in it

F#m A E B

And I wondered if they were happy and content

F#m A E B

Were there children and a man and a wife?

F#m A E B

Did she love him and take her hair down at night?

[Verse]

E B C#m A B B

If I stray away too far from you, don't go and try to find me

E B C#m A B B

It doesn't mean I don't love you, it doesn't mean I won't come back and  
stay beside you

[Chorus]

F#m A E B

It only means I need a little time

**F#m**    **A**                    **E**                    **B**  
To follow that unbroken line  
**F#m**    **A**                    **E**                    **B**  
To a place where the wild things grow  
**F#m**    **A**                    **E**                    **B**  
To a place where I used to always go

[Verse]

**E**        **B**                    **C#m**                    **A**                    **B**                    **B**  
La la la, la la la, la la la, la la la  
**E**        **B**                    **C#m**                    **A**                    **B**                    **B**  
La la la la, la la la, la la la, la la la

[Chorus]

**F#m**    **A**                    **E**                    **B**  
If only for a minute or two  
**F#m**                    **A**    **E**                    **B**  
I wanna see what it feels like to be without you  
**F#m**                    **A**    **E**                    **B**  
I wanna know the touch of my own skin  
**F#m**    **A**    **E**                    **B**        **B**        **B**        **B**  
Against the sun, against the wind
