

Winter Here Inside This House - Stumpy, September 2021

[D] It's 6 AM the [C] sun ain't up, it's [G] chilly outside the [D] season's really turned.

[D] Was a long long night a[C]lone in that bed [G] trying to forget [D] everything I've learned

It's [F] winter [C] here in[G]side this [D] house

It's [F] winter [C] here in[G]side this [D] house

[D]The sun will rise, [C] the ice will melt, I'll [G] remember [D] just how I felt.

[D] I'll walk the streets, I'll [C] lay in the park, and I [G] won't come home til it's [D] cold and dark

[D] It's a little bit maudlin, it's a [C] little insane, but right [G] now all I want is the [D] wind and rain.

[D] If I had a choice to [C] make the spring come, I'm [G] not so sure that's [D] where I'd run.

It's [F] winter [C] here in[G]side this [D] house

It's [F] winter [C] here in[G]side this [D] house

And [F] I don't [C] care if the [G] spring don't [D] come

It's [F] winter [C] here in[G]side this [D] house

Now it's 6 PM and the / sun's gone down my / hands they froze and my / eyes they burn

I've got a choice but I don't / know what it is, I've / got a tongue but I've / lost my voice

I can't imagine getting / back in that bed and I / can't get yesterday / out of my head

I don't want today and I don't / want tomorrow I don't / want it back / I don't / want the sorrow

It's [F] winter [C] here in[G]side this [D] house

It's [F] winter [C] here in[G]side this [D] house
