

## I Am The Way - Loudon Wainwright

[G] I was standing down in Jerusalem Town one day  
I was [C] standing down in Jerusalem Town one [G]day  
I was [C] standing down in Jerusalem Town one [G] day  
singing... [D]I ... [nc] am the [G]way

I can walk on the water and I can raise the dead  
I can walk on the water and I can raise the dead  
I can walk on the water and I can raise the dead  
it's easy.... I'm the way

Don't tell nobody but I kissed Magdalene  
don't tell nobody but I kissed Magdalene  
don't tell nobody but I kissed Magdalene  
right on the mouth  
I said Mary it's okay I'm the way

(spoken: this is the pitiful part)

Every son of God gets a little hard luck sometimes  
Every son of God gets a little hard luck sometimes  
Every son of God gets a little hard luck sometimes  
specially when he goes around saying he's the way

[G]I am the way  
[C]I am the [G]way  
I'm the way  
[D]it's easy.... I'm the [G]way
