

## Oh My Little Empanada

Same C G F C pattern throughout verses

Oh my [C] little empanada  
Filled with [G] beef and patata  
Will I have you [F] today or *manana*?  
Oh my [C] little empanada.

Oh you're golden brown and crusty  
And my appetite so lusty  
My mind and body you totally own  
You're my one and only *corazon*

When I peel back your pastry  
I don't want to be too hasty  
I'm gonna douse you with my *cholula*  
And my mouth begins to drool, ah...
