A - - Dm

A - - Dm

(A)St Agatha came to ring the bell
(Dm)But Peter wasn't there
(A)All she found was a note on the floor
Sayin**(Dm)** follow me if you dare

She **(A)** went to window
And **(F#m)** screamed at the sky
(B7)How will I know that it's him

(Dm)Fell to her knees
As a voice replied
You're the second best of them

(A)Sometimes all the load you can carry will **(D)** break your back in two
(A) Sometimes all the love you can give will **(D)**scare them away from you
(A) Sometimes you gotta **(F#m)** let them take the win and **(B7)**think they deserved it too
(Dm)You've been the best, give it a rest for a **(A)** few

(A)Aggie got up and took her bell
And **(Dm)**headed for the west
She **(A)**chased behind the millions
Con-**(Dm)**vinced they'd win the quest

(A)She went to the river
Pre**(F#m)**pared to swim
But it had **(B7)** dried up weeks ago

(Dm)Fell to her knees
As a voice cried out
You're the second best again

(A)Sometimes all the load you can carry will **(D)** break your back in two
(A) Sometimes all the love you can give will **(D)**scare them away from you
(A) Sometimes you gotta **(F#m)** let them take the win and **(B7)**think they deserved it too
(Dm)You've been the best, give it a rest for a **(A)**few
