Sabodog

D7

Sitting on a pillow, looking at a rainbow.

G

Smelling the vanilla, listening to the grass grow.

D7

Drinking up the sunshine, falling on my little toe.

G

Filling all the glasses up, letting the water flow.

Then you asked a question, it really blew my mind.

G

You wanted me to tell you, what happened to the time?

I don't know, I just don't know-oh, I don't know-oh-oh

So, I picked myself up, walked up to the rainbow.

Tasted the vanilla, looked for a pot of gold.

Couldn't stop the sunshine, so I just let it glow.

Spilled out all the water, then I had to mop the floor.

But, you still had the question, pursed upon your lips.

What happens to the time, as past us it slips?

I don't know, I just don't know-oh, I don't know-oh-oh

I don't know, I just don't know-oh, I don't know-oh-oh
