

Half of them start with you - Stumpy, FLASH! May 2022

3 chord song, same pattern all the way through

Verse 1	There's [C] so many different ways to go wrong Half of the start with a [G] mechanical bull Yeah so many different ways to go wrong Half of the start with a [C] mechanical bull There's so many different ways to go wrong [F] Half of the start with a mechanical bull But the [C] good Lord knows [G] that ain't my problem Cause the other half start with [C] You!
Verse 2	I'm [C] walking around with a dollar in my pocket Trying to find me a [G] dollar beer I'm walking around with a dollar in my pocket Trying to find me a [C] dollar beer I'm walking around with a dollar in my pocket [F] Trying to find me a dollar beer When [C] you walk by with a [G] jingle in your jacket And the rest of my paycheck, [C] Dear.
Verse 3	[3x] Well if I ever get to heaven I know what I'll do / I'll play 8-ball and no cut-throat I'll [C] bring my own cue and I [G] won't trust you / And I'll warn St. Peter - [C] Stay clear!
Verse 4	[3x] If I go to Hell instead, have fiery bed / and the Devil's pokin' me with his pointy tail Well I'll [C] think of you and your [G] frosty adieu / and a chill will run down my [C] spine
Repeat verse 1	

Itty bitty changes from the recorded version.
