

Baby, Bite Me Again - Stumpy, June 2022

I was [Bm] gonna be fine
I was [G6] gonna be good
Gonna [D] keep Mr Piggy down under the hood
But you [Bm] sashay by
With your [G6] skirts all flippin'
And my [D] heart went boom and my mind went rippin'

It was [A] oink oink oink and I trotted after you
Baby, [D] oink oink oink, Oh how do you do?
[A] Oink oink oink You know I'm cleaner than I look
[D] Oink oink oink, Baby, take a closer look

I was [Bm] gonna be good
I was [G6] gonna be fine
I was [D] gonna go straight, Darlin, toe the line
Thought I'd [Bm] learned my lesson
Had [G6] sobriety's blessing
But one [D] look at you got my hormones a'messing

It was [A] oink oink oink and I trotted after you
Baby, [D] oink oink oink, Oh how do you do?
[A] Oink oink oink wanna snuffle for your truffle
[D] Twitch my snout and dance my hustle

[futz around with the same chords up the neck]]

They say [Bm] all men are pigs
And I [G6] can't disagree
We been [D] hams and hogs down through all history
Put an [Bm] apple in my mouth
Snake a [G6] spit up my butt
[D] Roast me til I'm cracklin and I'll tell you what

Yeah it's [A] oink oink oink at the bar-b-que
[D] Oink oink oink and it's smoke in the flue
[A] Bite-my-pulled-pork, juices runnin' down your chin
And it's [D] oink oink oink baby bite me again
