

DOYLE WARREN acrostic, Stumpy FLASH

Don't you doubt me don't you sway
Only one way to live today
You put your faith in the man at hand
Love your brother he's a holy man
Everybody, yeah swing and sway
 Everybody, yeah swing and sway

Why won't you believe me
Are you a mouse or are you a man?
Right in front of you the master plan
Real as can be, won't you shake my hand?
Everybody, yeah swing and sway
Nobody, left behind today
 Nobody, left behind today
