

Oinky Doinky Jed Rivers

A E D

A hippy tripper and a lover of all
And still you're going strong.
Oh Wavy, oh Gravy
You live in my heart
For you I sing this song

You give so much
And ask for none
You keep us holy each day
The fun you pose
The circus rose
You were born to teach us to play

Your farm has been a sanctuary
A home to keep us safe
I can only think of this to say
to put a smile upon your face.

Oinky donkey doinky, oinky doinky doo
Oinky doinky doinky Oink oink
oinky doinky doo.
