

Dog & His Bone - Stumpy, FLASH Sep 2022

[D] This is the hole that the [G] dog, he dug, to [A] bury his bone

[D] And this is what [G] I looked like, when [A] I was twenty one

[A] Like a dog and his [D] bone

[A] Like a dog and his [D] bone, Baby

[A] I was worrying the [D] bone, yeah

[A] I was worrying the [D] bone

[D] I slept on a couch, [G] I slept on a floor, I went [A] swimming in the dark

[D] I talked to myself and I [G] remember saying I [A] wished that I believed in
god

I was pretty darn blue, Baby

Well I hadn't met you yet

And that's a good thing, too

Cause you might have said adieu, adieu, adieu

Well I was pretty as a picture, had high cheekbones and lots of bushy hair

But underneath it there was a screw come loose and a sign that said beware

Beware [D] beware,

[A] Like a dog and his [D] bone, Baby

[A] I was worrying the [D] bone, yeah

[A] I was worrying the [D] bone
