

Spunky 21 - Stumpy, FLASH

[G] I feel spunky, I feel fine
[B] Like a choo choo goin' down the line
[C] Little white line on a mirror so clean
[G] Little toot toot on the scene

[G] Gonna shoot some pool, ping pong and pinball
[B] Gonna set'em all up and watch'em fall
[C] Gonna grab some beers and get some air
[G] Gonna go out on a tear

[D] Twenty one and have some fun
[D] Not quite a citizen and not quite a bum
[D] Spin me like a bottle, baby, here I come
[D] And no direction [G] home

[G] Story of a boy, story of a man
[B] That's a story of a soul who could use a helping hand
[C] That hand came along, so did many many more
[G] And I'm here today to tell a little more

[G] I feel spunky, I feel fine
[B] Forty five years further down the line
[C] Now I like my rye and I like my gin
[G] And I try to stay this side of sin

[D] I was twenty one and had some fun
[D] Not quite a citizen and not quite a bum
[D] Spun me like a bottle, baby, son of a gun
[D] And no direction [G] home
