

And the Second One Said - Stumpy, FLASH october 2022

The first one said...

[D]	[F#m]	[D]	[F#m]	[D]	[F#m]	[Bm]
What did you	do and	what did you	see and	what did you	think about	me?
Nearly anything you say	will be	OK but	please just	let me	stay	
There's only one	thing that would break my heart,	one thing would	tear me	apart		

[A]	[G]
Please tell me that you noticed me	
Please tell me that you noticed me	[D] [G] [D]

And the second one answered...

[D]	[F#m]	[D]	[F#m]	[D]	[F#m]	[Bm]
How could you	think	and how could you	doubt	& how could you worry 'bout	that?	
You're all that I saw,	when you opened that	door it was	like you had opened my	eyes		
There's only one	thing would break my	heart,	one thing would	tear me	apart	

[A]	[G]
Please tell me that you noticed me	
Please tell me that you noticed me	[D] [G] [D]

Play 2 lines of the A part, then sing the B part again
