

I didn't think you noticed - Stumpy, FLASH Oct 2022

[G] I dreamt and prayed you share with me

Your [E7] amatory secrets

[C] You made my [D] heart-strings pluck and [G] play [D] ay ay ay

[G] I didn't think you noticed

My [E7] slightly creepy attentions

[C] You made me [D] nearly faint a[G] that wa-a-ay

[Em] The air was crackling, [D] our lips were smacking

[Em] Our hearts were throbbing, [D] our gonads bobbing

[Em] If you'd have walked away [D] you'd have left me sobbing [D7]

[G] Well ever since those early days

I [E7] float around in a purple haze

[C] I have no [D] reason to be but [G] you - [D] oo oo oo

[G] Yes I still pray you'll share with me

[E7] every one of your secrets

[C] Morning noon and [D] night every [G] day [D]

(Play the B section here, without words. Then... very slowly...)

[G] I didn't think you noticed

My [E7] slightly creepy attentions

[C] You made me [D] nearly faint a[G] wa-[G#]-a-[G]-ay
