C **Am** **F** **C**
Shiloh was the mud caked on our wheels

C **Am** **F** **C**
Shiloh was the shadow on the hills

C **F**
The house where I was born

Am **F#dim**
Is buried in it still

F **C**
I want one more look around

C **Am** **F** **C**
Shiloh was the grass stain on our coats

C **Am** **F** **C**
Shiloh was the exit off the road

C **F**
Some kids never left,

Am **F#dim**
but something in them did

F **C**
I want one more look around

C **Am** **F** **C**
Shiloh is valley she drew first

C **Am** **F** **C**
Shiloh is her hunger and her thirst

C **F**
The place I left behind

Am **F#dim**
It won't be what she finds

F **C**
I want one more look around
