[G] There's a nervous little boy with an [F#] apple on his [G] head
Oh he [D] don't want to die, no he don't want to die
There's a [G] nervous little boy with an [F#] apple on his [G] head
Oh he [D] don't want to die, no he don't want to die
There's a [C] daddy with an arrow he's nervous, too
[G] Feelin pretty trapped by what he's gotta do
[C] Daddy with an arrow he's feelin sick
His [D] fingers on the [D] bow are [D] much to [D] slick

Wait for it... Wait for it... Wait for it...

[G] There's an apple every day, hey [F#] what we gonna [G] do?
No we [D] don't want to die, no we don't want to die!
There's an [G] apple every day, hey [F#] what we gonna [G] do?
No we [D] don't want to die, no we don't want to die!
[C] God of Abraham, Jesus and Mohammed
He'll [G] push you 'gainst the wall and make you want to vomit
They [C] say if it don't kill ya, it makes you all the stronger
And [D] if it do kill you there's apples no longer

And [D] if it do kill you there's apples no longer...
And [D] if it do kill you there's apples no longer...
And [D] if it do kill you there...
