

A Day Like All The Rest - Stumpy, FLASH Nov 2022

[C] Tomorrow we'll know the truth
And it [F] won't be Mega-[C]-Millions

[C] Tomorrow we'll know the truth
It'll be a [F] day like all the [C] rest

[C] Tomorrow we'll know the truth
Disappointment [F] on your [C] doorsill

[C] Tomorrow we'll know the truth
Oh no we [F] ain't in fortune's [C] will

[G] But it ain't all stinky and halitosis
We can [C] still wake up and smell the roses

[G] Making groovy art since the paleolithic
[C] Deep and heavy and totally mystic

[G] Of course we also killed off the Neanderthal
[C] And we covered it up with the [F] story of the [C] Fall

[NC] (Adam and Eve, Cain and Abel, one two three four)

[C] Tomorrow we'll know the truth
It's your [F] heartbeat and your [C] D N A

[C] Tomorrow we'll know the truth
Sometimes we love [F] sometimes we [C] slay

[C] Tomorrow we'll know the truth
Take a [F] deep breath, do your [C] best

[C] Tomorrow we'll know the truth
It'll be a [F] day like all the [C] rest

[C] Tomorrow we'll know the truth
It'll be a [F] day like all the [C] rest
