

Bad Day In The Mirror - Stumpy, FLASH Nov 2022

(I wouldn't swear that this is exactly how I recorded it, but it's close.)

Verse 1	[C5] I look in the mirror, and I got no reflection [Bb] Freakiest feeling, time for introspection maybe [C5] Feel my lips moving, I ain't saying nothing [Bb] Feel my feet shuffling, but I'm going no[F]where
------------	---

Chorus	[Gm] It's a dream, it's a dream, just a fucked up little dream [F] I want to believe that, want to believe that it [Gm] Ain't real, it ain't real, just a nightmare that I feel [F] I want to believe that, yeah I want to believe
--------	---

Verse 2	[C5] I look in the mirror, and all I see is yesterday [Bb] I don't see tomorrow and today has bled away [C5] The air is thick and smothering, I can hardly breath [Bb] I need to break this mirror, yeah I need some re[F]prieve
------------	---

Verse 2	[C5] Mirror Mirror on the wall, what's your interest in my fall? [Bb] Who are you working for, who sent you here? [C5] Who did I wrong so badly, who did I hurt? [Bb] That they want to see me suffer, see me grovel in the [F] dirt?
------------	--

Chorus twice	
--------------	--
