I Have My Doubts - Stumpy, FLASH November 2022

[Bm] I didn't say no / I [A] didn't say yes, /
In[D] didn't say go a[G]way
But you [A] did / any[D]way

I [Bm] might have been kind / [A] I might have been mean /
I [D] might have tried to speak my [G] mind
But I [A] didn't / have the words to [D]say

To say [G] What anyone with eyes could [A] see.
To say [G] What anyone with eyes could [A] see
[NC] What you meant to [D] me

[Bm] [A] [D] [G] [A] [D]

[Bm] I wasn't always good / I [A] wasn't always bad, /
I [D] didn't always do my [G] best
I just [A] stumbled / from right to [D] wrong

I've got [Bm] nothing to excuse / [A] my foolishness /
I [D] acted like a [G] child
So I can't [A] complain / about where you've [D] gone

Oh, and [G] could I do better [A] today?
I don't know, [G] could I do better [A] today?
[NC] Yeah, I have my [D] doubts.

[Bm] [A] [D] [G] [A] [D]

Oh, and [G] could I do better [A] today?
I don't know, [G] could I do better [A] today?
[NC] Yeah, I have my [D] doubts.
