Beautiful nights, sparkling stars
D F# G G
we're stuck inside, mopping the floors

Mail's piling up, the coffee is cold

I would buy anything that I was told

D E G E
Let's get lost and find someplace new
D E G Gm
I just wanna go away with you

D Bm F# G
Tossing and turning and worrying all night
D F# G G
sheets are too small, the lights are too bright
D Bm F# G
california ain't got a king

But they got a bed like a big boxing ring

D E G E
Let's get lost and find someplace new
D E G Gm
I just wanna go away with you

A Bm
we always loved this town

But lately it's been getting you down

Maybe a night is all we need

Maybe some quiet, some quiet is what we need

D E G E
Let's get lost and find someplace new
D E G Gm
I just wanna go away with you
D E G E
Let's get lost and find someplace new
