

## Margelita - Toby

**C F C G x 2**

**C F C G**

True life conspiracies are drowning all the kids

**C F C G**

Some take some aspirin and others want the lids

**Am7**

I say it don't surprise me that you left

**D**

The room was getting hot

**Am7 D**

3 weeks was all it took

**G7**

and all it took you lost

**C F C G F**

Margelita always made you proud

**C F C G F**

Margelita sing it with me loud

**C F C G**

The mess is on the floor and no one's got a mop

**C F C G**

Junkyard's are full of gems as long as you don't stop

**Am7**

I'll take some sage advice and dial back

**D**

and focus on my self

**Am7 D**

You say they don't last long so clear out

**G7**

that whole shelf

**C F C G F**

Margelita always made you proud

**C F C G F**

Margelita sing it with me loud

**C F C G**

Avoiding confrontation look what just fell off

**Em7 F G**

Prepared to start again so let it level off

**C F C G F**

Margelita always made you proud

**C F C G F**

Margelita sing it with me loud

**C F C G F**

Margelita always made you proud

**C F C G F C**

Margelita sing it with me now—————
