

Tomorrow We'll Know the Truth    Jed Rivers    (Blues in G, Capo to A)

G G7  
 Tomorrow we'll know the truth  
 C7  
 Oh Yes tomorrow we'll know the truth  
 G G7  
 When the dye leaves our hair  
 C7  
 And there's no plugs to spare  
 D7 G  
 Tomorrow we'll know the truth

Tomorrow we'll know the truth  
Oh Yes tomorrow we'll know the truth  
When the caps fall from our teeth  
And we're sagging beneath  
Tomorrow we'll know the truth

Chorus:

C C7  
We've been at it for a long time

G  
We've been painting the smile on our face

C  
We've been tucking our tummies  
Tightening our jaws

D7  
We've been playing these makeover blues

Tomorrow we'll know the truth  
Oh Yes tomorrow we'll know the truth  
When we're laying there stiff  
They'll see the rouge was a gift  
Tomorrow we'll know the truth

We've been at it for a long time  
We've been painting the smile on our our face  
We've been tucking our tummies  
Tightening our jaws  
We've been playing these makeover blues
