

Christmas Day Doo Wop - Stumpy, FLASH December 2022

Hey, [C] what you want for Christmas, [Am] what can I [F] do for [G] you?
[C] What you want for Christmas, maybe [Am] something for [F] just we [G] two?

[C] I want to jingle your bells, want to [Am] rock [F] your [G] stockin'
[C] Won't answer the door when the [Am] family [F] comes a [G] knockin'

Hey, [C] what you want for Christmas, [Am] what can I [F] do for [C] you?

Let [F] Santa eat the cookies, let Santa drink the [C] milk
I [F] feel the reindeer prancin and my [G] chimney shook and shook

[C] Won't get out of bed, darlin' [Am] on [F] Christmas [C] day [G] [C]

Oh our [F] cheeks are rosy red, the spirit's [C] gone to our head
You know the [G7] sleigh will explode if Santa don't drop his load
(HO HO HO ...)

Hey, [C] what you want for Christmas, [Am] what can I [F] do for [G] you?
[C] What you want for Christmas, maybe [Am] something for [F] just we [G] two?

[C] Won't get out of bed, darlin' [Am] on [F] Christmas [G]
[C] Won't get out of bed, darlin' [Am] on [F] Christmas [C] day [G] [C]
