

Hanukkah Doo Wop - Stumpy FLASH Dec. 2022

You won't [C] hear it from the [Am] rabbi but it's [F] pretty clear to [G] me
There's [C] parts of this [Am] story not fit for [F] polite [G] company
[C] Judah and the [Am] Maccabees they were [F] very sexy [G] dudes
With [C] triceps on their [C] biceps and [F] lots of [G] attitude

They had a [C] girl in every [Am] tent in every [F] hideout where they [G] went
There weren't a [C] cave in all [Am] Judea where some [F] seed they hadn't [G]
spent
Yeah sure they [C] routed Anti-[Am]-ochus and they [F] kicked him in the [G] balls
But the [C] oil that they [C] found did not just [F] light the temple [G] halls....

They had [F] sleek and sexy bodies and they had [C] girls they had to please
The [F] menorah burned for eight, but not as l[G7] long as the Maccabees

You won't [C] hear it from the [Am] rabbi but it's [F] pretty clear to [G] me
There's [C] parts of this [Am] story not fir for [F] polite [G] company
[C] Judah and the [Am] Maccabees they were [F] very sexy [G] dudes
With [C] triceps on their [C] biceps and [F] lots of [G] attitude
