

SUDDENLY

Sabodog

G7

Suddenly, The universe got real big

Suddenly, I felt sad

Suddenly, I got holes to dig

Suddenly, The garbage smells real bad

G7, C, D

G7

Suddenly, I have a pain

Suddenly, There's a pothole in the road

Suddenly, Then it rained

Suddenly, The seed it grewed

G7, C, D

G7

Suddenly, I had an idea

Suddenly, The check's in the mail

Suddenly, I got kicked in the rear

Suddenly, Rain turned to hail

G7, C, D

G7

Suddenly, Happens every day

Suddenly, I got no plays

Suddenly, I'm out of rhymes

Suddenly, I'll write a better song next time

Suddenly:

G7, C, D, G7
