

## Winter Nights - Toby

**D**                      **G**

Early nights, the stars are bright, the

**D**                      **G**

Sky is clear, and you're finally here

**D**                      **G**

This has been, the longest year

**D**                      **G**

I'm so glad, that you are near.

**D**                      **G**

Let's spend one whole week in bed

**D**                      **G**

Tell everybody we're not here, instead

**G**                      **G**

Tell everybody we're not here, instead

**D**                      **D**

Spend a week, stuck inside this bed
