

Bottom - Stumpy, FLASH January 2023

Yeah [G] I'm gonna go to the bottom of this [Dm] ocean
Yeah [G] I'm gonna go to the bottom [Dm] of this sea
Yeah [G] I'm gonna go to the bottom [Dm] of my heart
Don't [A] know what 'll find, don't know what's waiting
[D] Scares the heck out of me (yeah)

Yeah [G] once in a while something comes [Dm] along this way
Every [G] once in a while I think there's something I've [Dm] got to say
Every [G] once in a while the current pushes [Dm] me a-long
Don't [A] know what 'll find, don't know what's waiting
[D] Scares the heck out of me (yeah)

Yeah [G] it's light toward the top, it's dark dark dark [Dm] at the bottom
Yeah [G] it's light toward the top, it's dark dark dark [Dm] at the bottom
Yeah [G] it's light toward the top, it's dark dark dark [Dm] at the bottom
Don't [A] know what 'll find, don't know what's waiting
[D] Scares the heck out of me (yeah)

Have I [G] ever been here before, will I [Dm] ever come back again
Have we [G] ever met before, you and I, you [Dm] smile like a friend
[G] But what are you doing living way down, down, down, [Dm] down in here?
Don't [A] know that I like it, or if I like you
[D] Scares the heck out of me (yeah)

Yeah [G] I'm gonna go to the bottom of this [Dm] ocean
Yeah [G] I'm gonna go to the bottom [Dm] of this sea
Yeah [G] I'm gonna go to the bottom [Dm] of my heart
Don't [A] know what 'll find, don't know what's waiting
[D] Scares the heck out of me (yeah)
