

## **Glass Half full of Evidence - Toby**

### **Verse 1**

**G** **G**  
You Took me to that chu-urch and you Led me down the aisle  
**C** **C**  
Showed me your big painting \* \* Showed me your big smile  
**G** **G**  
Captured in the brushstrokes were some Seasick british tars, yeah  
**C** **C**  
half of them were bubbling , the others were nowhere

### **Chorus—**

**G** **G7** **C** **G**  
All I know for certain is what you're convinced about  
**G** **G7** **C** **G**  
glass half full of evidence, I still have some doubt

### **Verse 2**

**G** **G**  
Clinging on to floaters they had Cast an hour before  
**C** **C**  
screaming "Jesus Christ!" 15 Nauticals from shore  
**G** **G**  
The Flotsam and the jetsam, broken Barrels and prayers  
**C** **C**  
half of them were bubbling , the others were nowhere

### **Chorus—**

### **Bridge**

**G** **Gmaj7**  
The fallen comrades pipes and letters to their loves  
**G7** **G7**  
And a last gasp to cry their place  
**Am** **A**  
Some rise and others sink Ain't it enough to think  
**D7** **D7**  
the few who made it lost their faith?

### **Chorus X 2**
