

## Second Day of Twenty Twenty Three- Stumpy, FLASH Jan 2023

[Am7] Well it's the second day of twenty twenty -[F]- three  
We've ain't got [Am7] much to do today, Baby, just you and [F] me  
We took a [D7] little chill pill,  
we're walking [D7] only downhill,  
we're leaning [D7] elbows on the window [G] sill [Gdim7] [G]

[Am7] Yeah it's the second day of twenty twenty -[F]- three  
Things are [Am7] shaping up real nice, it's all honey and [F] spice  
(I know) The pandemic [D7] is still ragin',  
We can't [D7] ignore we're agin',  
We're livin' [D7] every day the best we know [G] how [Gdim7] [G]

[Am7] Think 'll meditate, then maybe go outside and hang out by the [F] gate  
(Come inside and maybe) [Am7] Stop the toilet from runnin', and read my favorite maga- [F]-zine  
[Am7] Go down to CHipS and volunteer a few hours, sling some hash and talk some [F] trash  
Come home to clean out the fridge, and use the milk before it [F] sours

(Yeah I know) There's still a [D7] war in Ukraine,  
The world is [D7] goin' to pot agin',  
But, Baby [D7] we're not dead yet you and [G] me [Gdim7] [G] (Oh no we're not)

[Am7] Well it's the second day of twenty twenty -[F]- three  
Three hundred [Am7] fifty four more before twenty twenty [F] four  
We're gonna [D7] fill them up real nice  
We'll go [D7] dancin' every night  
In our [D7] living room to the music on our [G] phones [Gdim7] [G] (That's your idea, and a good one)

[Am7] Well it's the second day of twenty twenty -[F]- three  
We've got [Am7] little to do, Baby just you and [F] me  
We took a [D7] little chill pill,  
we're walking [D7] only downhill,  
we're leaning [D7] elbows on the window [G] sill [Gdim7] [G]
