(C)What(C/B) fish do we (Am)fry (G)

(C)What (C/B)brings us (Am)awe. (G)

(C) What (C/B)wakes us (Am) up in the (G)morning.

(F)Gets us out the (G)door

What makes it worth living

What makes life bright

What Keeps our heart beating

Brings endless delight

(Am)What floats your boat

(F) In the place that you dwell

(Am) What brings you joy

(Am)Amazement all (F)around

(Am)When it's time for us to (F)take our departure

(C)We'll look back at what we (G)found

2

(C)It's (C/B)like Ahab's (C) Moby (G)

Galileo's stars

Emerson's wilderness

Venus's Mars

Just like Leakey's bones

Just like Goodall's apes

Just like Monet's light

And Picasso's shapes

Chorus:

What floats your boat

In the place that you dwell

What brings you joy

What Rings your bell

There's marvel in the small things

Amazement all around

When it's time for us to go

We'll look back at what we found
